

# Leadership Coaching

*Facilitating leaders with the quality of their thinking to enhance the quality of their performance*

**PROFESSIONAL**

**DEVELOPMENT**

Our leadership coaching programmes offer thought-provoking coaching to individuals and teams. All our coaches are accomplished business leaders.

Our approach is practical and results oriented. We place strong emphasis on stimulating goal setting. We work with you in an encouraging yet challenging way to ensure you deliver your goals.

We are at our best when facilitating individuals and teams to create clarity, meaning and forward momentum in times of stagnation or overwhelm.

Our coaching sessions are held face-to-face or online. The sessions can be aligned to meet your needs at any given time, from a one-off individual coaching session to a longer term coaching programme.

Generally the coaching sessions are one hour, two hour or three hour duration.

We aim to accommodate your requirements where possible, in relation to dates and times, venue and any pressing concerns that may arise throughout the coaching session or coaching programme.

# Facilitation of Away Days, Meetings, and Events

*We can provide a professional facilitator to facilitate your away day, your strategic or important meeting, or to act as Master of Ceremonies at your next important event or conference*

**Team away days** are a popular and powerful means of addressing current issues, developing strategy, and improving the performance of individuals and teams. Whether your objective is to get to know each other better, team build to understand each other and your strengths and to work towards a common goal, improve your communication, or to get down to work on a business plan, you will achieve much, much more if you get away for a day or more, change the environment and allow time for the process.

Whatever your purpose, a properly planned and facilitated away day will pay dividends.

**Meetings** sometimes take on an added importance. It may be that a new strategy is being introduced, or

sensitive issues have to be tackled. The presence of a professional facilitator can add greatly to the process – ensuring the meeting runs smoothly, that everyone participates, and that outcomes are achieved.

**A big event or conference coming up?** Are you looking for a Master of Ceremonies to keep the event or conference on track, to inspire, energise and inform your audience? We can provide you with an experienced host who will ensure that everything runs seamlessly and in a professional manner.
